

LEARNING OBJECTIVES

- Understand the composure of US democracy
- Learn more about current issues in today's politics
- Develop and engage through multiple channels

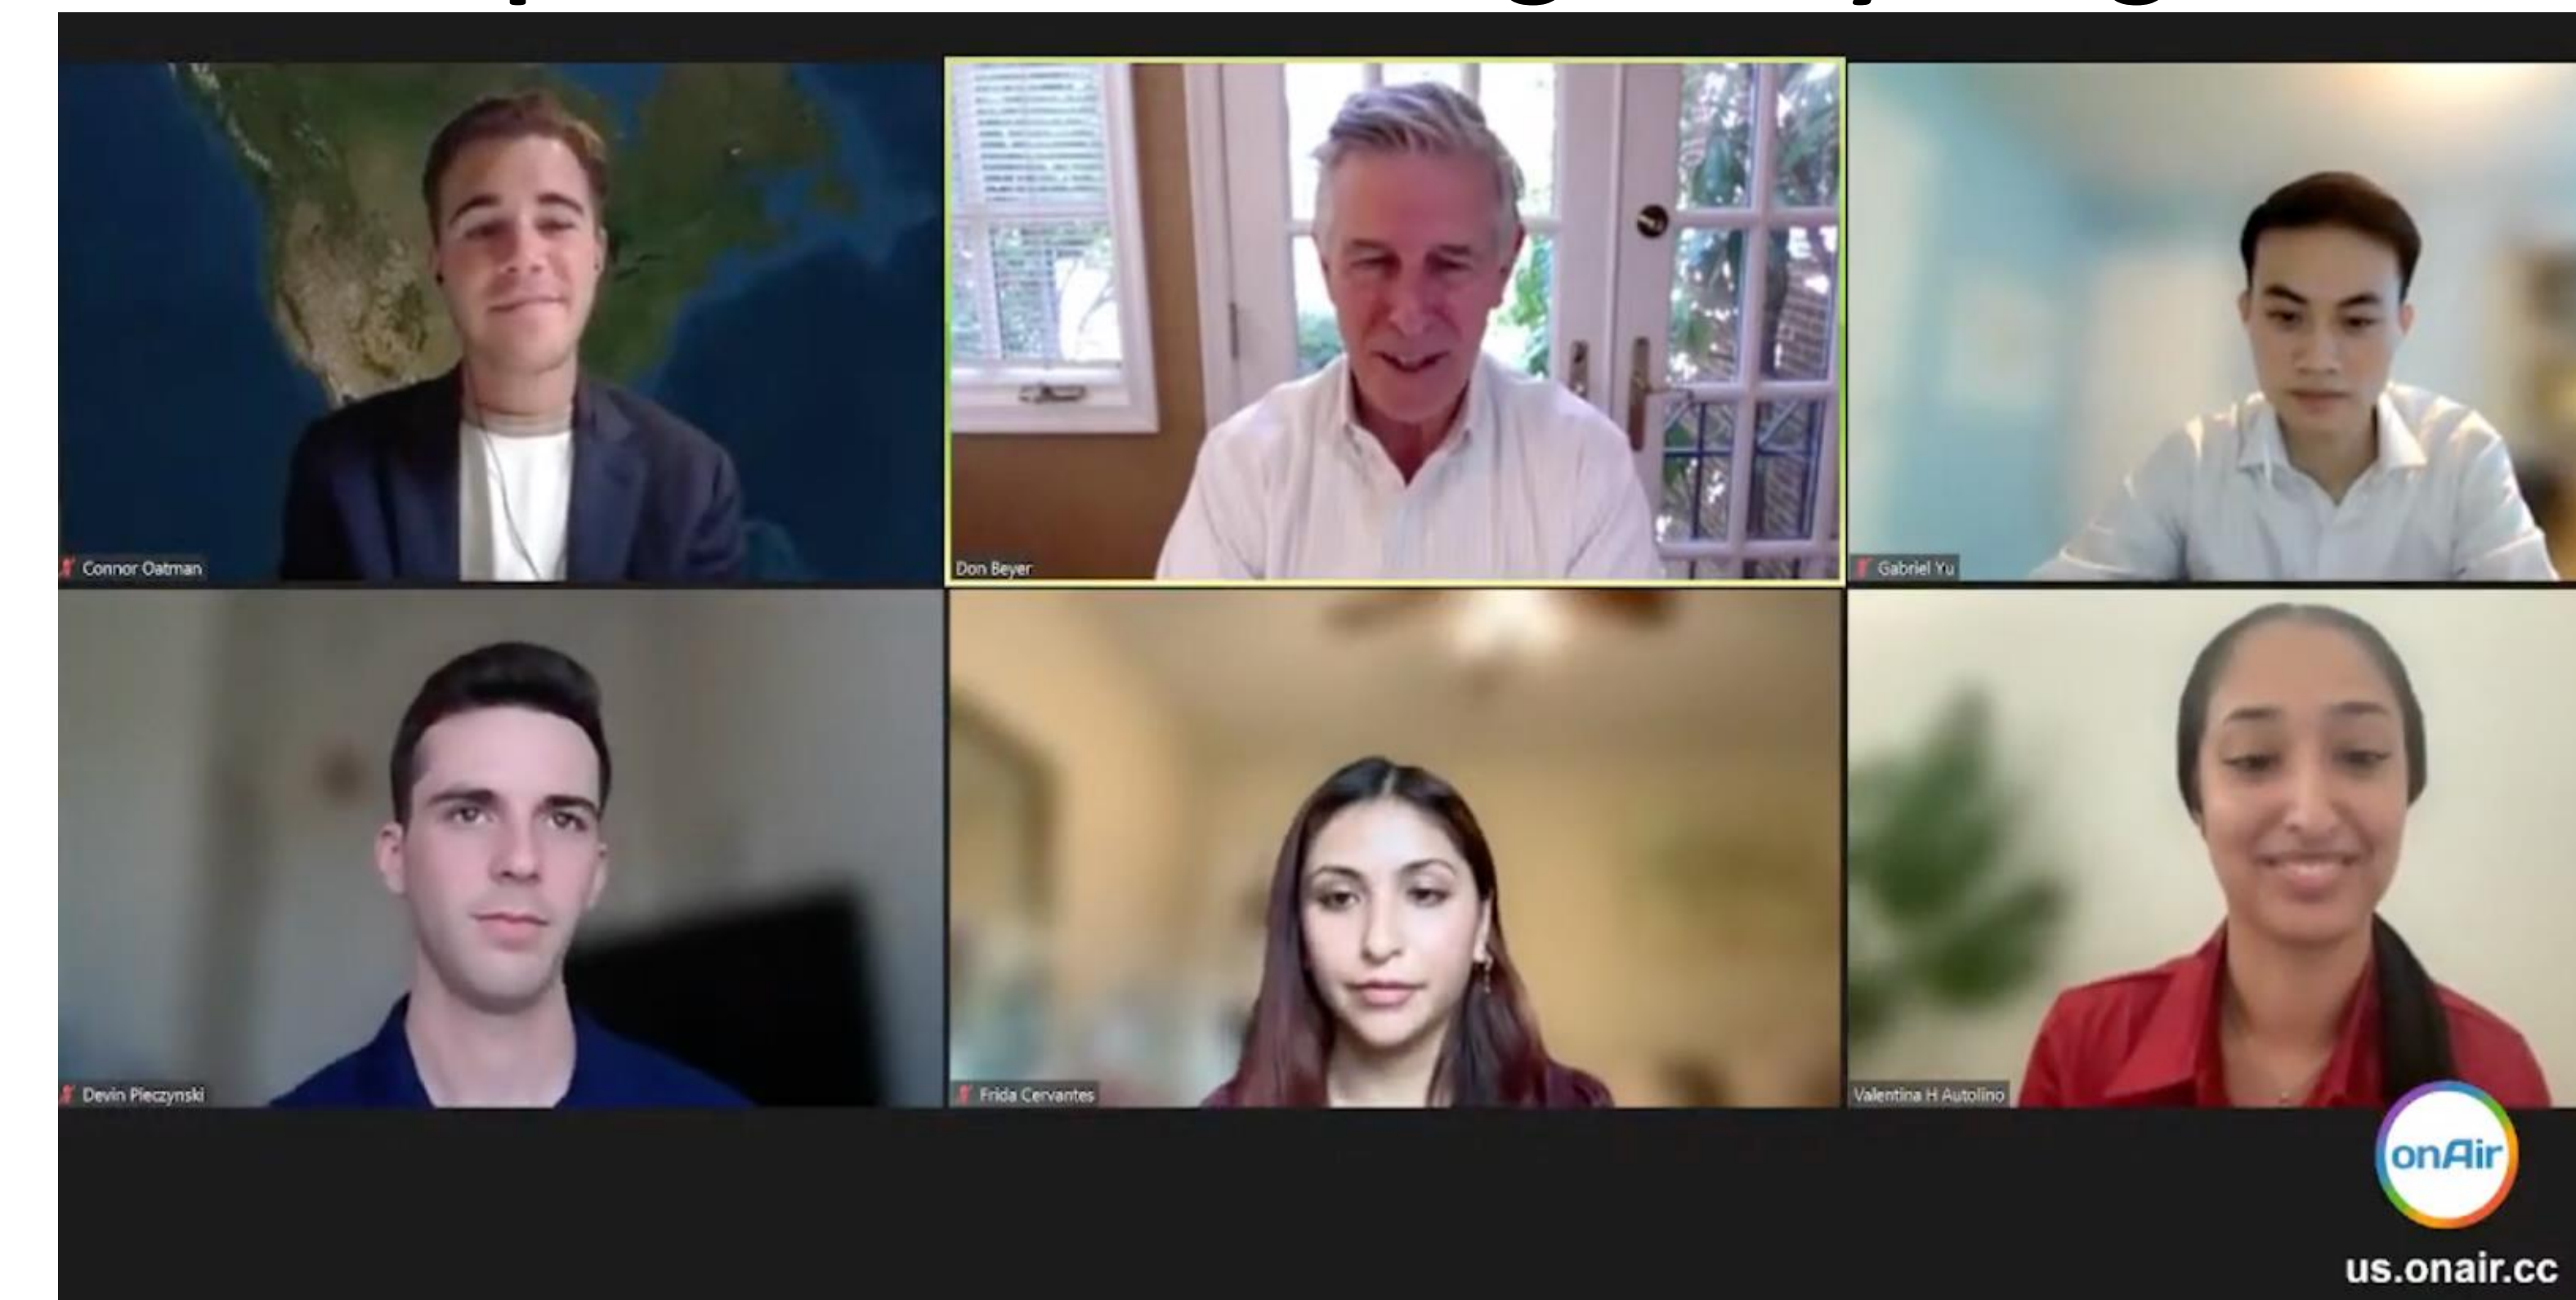

CONCLUSION

- Accomplished/exceeded all my learning objectives
- Learned how I best work in a professional setting
- I will look back on this experience as the one taught me how to navigate a professional setting as a young adult

PROFESSIONAL DEVELOPMENT

- Learned how to effectively communicate with politicians
- Gained valuable leadership experience
- Learned how to coordinate with different people on several different projects
- Learned how to network efficiently

ACADEMIC CONNECTIONS

- Internship directly related to politics and democracy
- Applied past global affairs coursework to conversations on politics and governance
- Applied GOVT 434 concepts directly to internship work
